

Thank You to Our Generous Donors

Together, we are building a healthier future for Northern Alberta!

Your contributions are turning the vision of the Maskwa Medical Center into a reality, bringing essential medical care to the people of Northern Alberta. With your support, we will fund the capital costs of a state-of-the-art building that will house the University of Alberta Teaching Clinic and the Maskwa Medical Specialist Clinic.

In partnership with Northwestern Polytechnic and the University of Alberta, the center will educate and train the next generation of physicians right here in Grande Prairie. Doctors will complete their education, become residents at the Teaching Clinic, and then continue serving communities in the region.

The Maskwa Medical Specialist clinic will be a leading medical clinic and reduce the burden on NW Alberta patients and their families of prolonged uncertainty around diagnosis and the need for costly, disruptive, and time-consuming trips to larger urban centers to access specialist diagnostic expertise.

Your Contribution Will Be Celebrated!

We deeply value your support, and to show our gratitude, your sponsorship will be recognized through multiple channels. This includes acknowledgments in print materials, shoutouts on social media, video features, and prominent displays on digital screens within the new building.

Sponsor Recognition

	Friends	Partners	Major	Principal	Distinguished
	Up to \$10,000	\$10,001 to \$100,000	\$100,001 to \$500,000	\$500,001 to \$1M	\$1M Plus

Maskwa Medical Center will leverage any surplus funds from its capital campaign to support medical research and training opportunities, student support programs, and future infrastructure needs to meet the growing demand for medical services in the region. Every initiative funded helps to advance our mission to provide accessible, high-quality healthcare for the residents of Northwest Alberta.
